

Things to Bring when visiting Casa de Olé

Things you really need

- Sunscreen & Hats
- Bathing suits & flip flops/sandals
- Beach Towels (we provide bath towels, but ask that they don't go down to the beach)
- Cash (US Dollars) to reimburse Karla for meals (Karla cannot accept checks/credit cards)
- US Passports for the dreaded return home!
- Mexican auto insurance

Suggested Food Items

- Big bag of tortilla chips
- Coconut oil for cooking if you want your coconut shrimp to be extra amazing
- Drinks. Bottled water provided, you bring the rest!
- Food and snacks not included in menu planner (Breakfast foods, coffee, creamer, etc)
- Paper goods if desired

Miscellaneous

- Dura-flame style logs for both the Living Room and courtyard fireplaces (using real wood is too smoky), if weather appropriate. Note - you DO NOT need to bring logs for the beachside fire pit - it runs on propane!
- Beach sand toys
- Beach games (Frisbee, football, Bocce ball set, ladder ball set, kites); For the more adventurous, get a lighted Frisbee and glow necklaces for participants for night Frisbee games - a family favorite!
- Pop-up shade structure and sand chairs
- Boogie Boards for surfing the waves
- Flashlights for the kids
- Binoculars - great for spotting dolphins and other creatures!
- Stargazing apps on your smartphones/tablets. You will be amazed at the stars you will see!
